UNAUDITED INTERIM FINANCIAL STATEMENTS

30 JUNE 2014

LIMITED REVIEW REPORT TO THE UNIT HOLDERS OF ARABIAN OPPORTUNITIES FUND - AUDI CAPITAL

Scope of review

We have reviewed the accompanying balance sheet of Arabian Opportunities Fund ("the Fund") - managed by Audi Capital ("the Manager") as of 30 June 2014, and the related statements of operations, cash flows and changes in net assets for the six month period then ended. These interim financial statements are the responsibility of the Manager and have been prepared by them and submitted to us together with all the information and explanations which we required. We conducted our limited review in accordance with the Standard on Review of Interim Financial Reporting issued by Saudi Organization for Certified Public Accountants ("SOCPA"). A limited review consists principally of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Conclusion

Based on our limited review, we are not aware of any material modifications that should be made to the accompanying interim financial statements for them to be in conformity with accounting standards generally accepted in the Kingdom of Saudi Arabia.
